Dear David,

This letter is a follow up to our phone conversation yesterday. Scott, our Willamette River Greenway (WRG) Ranger, has been assigned to work in our Fall Creek parks this summer season. Scott's change in assignment leaves a gap in the oversight and direction of our WRG program therefore; I am cancelling all volunteer work parties at Glass Bar Access until further notice. Please stop immediately, all individual and group volunteer work including work projects that were previously approved.

I truly appreciate all of the work that the Glass Bar Island Volunteers have provided at Glass Bar and I look forward to working with you in the future. Let's plan to meet mid September to draw up plans and details of work projects, calendars, and protocols for the upcoming fall.

Please pass this information on to the rest of the Glass Bar Island Volunteers. Feel free to call with any questions or concerns.

Sincerely,

Julie Whalen
Park Manager
